Position Available:

Licensed Veterinary Technician

Hours:

35-40

Description of Position (include experience requested, wages, hours, duties, etc.):

Are you tired of the normal day-to-day grind of general practice and routine dental cleanings? Do you hunger for more challenging procedures like mandibulectomies, jaw fracture repairs, endodontics, and other types of advanced dental surgery? Would you also like to do all this on a Monday through Friday schedule with no nights, weekends, or holidays? Look no further! Immediate opening for Licensed Veterinary Technician for one-doctor small animal dental specialty practice in Fayetteville/DeWitt; unlicensed persons need not apply. We are an NYSVMS accredited, AAHA accredited since 1987, AAFP-certified Cat Friendly Practice with a Fear Free Certified staff. Must have excellent client communication skills in addition to clinical proficiency. We are looking for someone with a desire to practice the highest standards of care with a close-knit, family-oriented staff. We want you to be part of the gang as well as part of the team. An interest in Seinfeld and The Office a plus, and the ability to sing loudly with the radio, especially with ad-libbed dental terms, preferred but not required. Full-time position available, approximately 35-38 hours per week. Should be available Monday through Thursday 7am-6pm and Friday 7am-2pm. Competitive salary (dependent on experience) and benefits package, including health and dental insurance, uniform reimbursement, continuing education reimbursement, retirement plan, and generous pet discounts. Please email your resume to caitlin@adsuny.com. Must have current license in New York state. Experienced technicians preferred, but willing to train the right candidate.

Posting Date:

09/10/2020

All job posts will be held for 90 days, at which time it will be removed. If further posting is necessary, please resubmit your Info Sheet.
