---

**Position Available:**

RVT

**Hours:**

4 days per week

**Description of Position (include experience requested, wages, hours, duties, etc.):**

Hello from Dog & Cat Dentist in Culver City and Woodland Hills, located in sunny Southern California! We are looking to add an RVT to our team, which consists of two doctors, two RVTs, a vet aid, and a receptionist. We are a busy, cutting-edge dentistry and oral surgery practice that is privately owned and located within a multi-specialty practice. Our ideal candidate is an RVT with a VTS in dentistry, or someone who wishes to work towards a VTS in dentistry who we can support in this goal. One of our current RVTs has been a VTS in dentistry since 2014. The doctors perform all dental work, but they love teaching RVTs about dentistry. Main job responsibilities include running general anesthesia, often for complex procedures and high-risk patients, and client communication. Please inquire regarding salary. Position is full-time, four days per week, ideally in both Woodland Hills and Culver City locations. Check out our website: <https://www.dogandcatdentist.com/>
