Lake Forest Animal Clinic is looking for an experienced RVT with a special interest in Dentistry to lead our dental program! We practice high quality dentistry, but are open to suggestions and changes to make it even better.
Our DVM is strong at dentistry, and willing to train if needed.
Applicant can choose part-time or full-time. Full-time would involve dentistry 2-3 days per week, and general practice the other days of the week. Part-time would be working on the dental days only. And days are flexible. We already have coverage for Saturdays, so weekends are not necessary.
Looking for a team player that will be a long-term employee. We have a great practice with a family atmosphere.
We would love to hear from you!
