

Seeking an independent, compassionate Registered Veterinary Technician with a VTS in Dentistry to join our team!

Why Pure Paws Veterinary Care of Clinton Hill in Brooklyn, NY?

We're focused on making sure our hospital has the right tools to allow our doctor and medical staff the ability to provide excellent service and care. In addition to diagnostic and preventative services, our hospitals are equipped with digital radiography, digital dental radiography, and in-house labs.

Who are we looking for?

Applicants must have a strong work ethic, preserve a positive personality, capable of communicating effectively, be able to multi-task efficiently in a fast paced environment, have the ability to work in harmony with a team, possess a well-rounded technical skillset and have a passion for delivering exceptional care to patients as well as clients.

Requirements & Responsibilities:

- Taking full mouth intraoral radiographs, performing complete dental prophylaxis, client communication and education, management and maintenance of the equipment and supplies
- Responsible for patient anesthesia and maintaining medical records
- Greeting, receiving, and discharging patients
- Utilizing veterinary software for documenting medical notes
- Perform venipuncture for phlebotomy and catheter placement
- Perform diagnostic imaging
- Perform anesthesia
- Pre and post-surgical care of patients
- Perform dental charting and oral examinations
- Administer medications (oral, topical, injectable)
- Fill prescriptions and review directions with clients

Benefits:

We're dedicated to your well-being and offer a comprehensive package and professional development opportunities to support your work and home life. These include:

- Competitive salary
- Medical, dental, vision, and prescription drug benefits for you and eligible dependents
- Paid time off for full-time employees
- 401(k) plan
- Continuing education allowance
- Guardian voluntary benefits
