

Specialty Practice Veterinary Assistant/Technician (Tampa Bay Area)

The Pet Dentist at Tampa Bay (Clearwater location) is looking to hire a veterinary technician for its specialty practice in dentistry and oral/maxillofacial surgery. Duties will include interfacing with clients by phone and in-person, patient admission, laboratory data and clinic organization/cleaning, monitoring anesthesia, professional teeth cleaning, and assisting with dental and surgical procedures. Our team includes 2 board-certified veterinary dentists and three certified veterinary technicians (one VTS in dentistry). The caseload is composed of patients with dental, oral/maxillofacial, and head and neck diseases. The Clearwater office facility has 2 procedure operatories with paperless IT support and digital radiography. This position will call for 35-40 hours (4 days) per week with hourly compensation based on experience. We will offer highly competitive hourly wage and benefits to include: 401K IRA+ profit sharing, AVMA health insurance, continuing education stipend, clothing stipend, paid time off, 6 paid holidays, no weekend or after hour duties.

Applicants should email a letter of interest and resume including references to thepetdentist@gmail.com. Select applicants will be invited for a working interview.
